Live Raptor Programs

These are wonderful opportunities to view these fascinating birds up close and to learn how they live and how to identify them. These programs take place at the Nature Center and are presented by knowledgeable Naturalists.

Memorial Day to Labor Day
Saturdays and Sundays 11am

Live Reptile Programs

It is our ambition to teach about native wildlife in order to ingrain respect and alleviate fears. Most creatures, especially the legless kind, are misunderstood, though they offer so much to humanity. We present programs with these scaly friends at the Nature Center for a fun learning experience.

Memorial Day to Labor Day
Saturdays and Sundays 4pm

SPECIAL EVENTS: Specific program schedules issued prior to event
